

## REGULAR MEETING OF THE CITY COUNCIL:

Austin, Texas, December 6, 1935.

The meeting was called to order by Mayor Tom Miller and on roll call the following answered present: Councilmen C. F. Alford, C. M. Bartholomew, Simon Gillis, Mayor Tom Miller, and Councilman Oswald G. Wolf, 5; absent, none.

The reading of the Minutes was dispensed with.

E. A. Murchison, President of the Board of Trustees of the Austin Independent School District, submitted the following:

"Austin, Texas,  
December 6, 1935.

Honorable Tom Miller, Mayor & the City Council  
Austin, Texas

Gentlemen:

We submit for your consideration the recommendation of A. W. Harris, of Giesecke & Harris, architects, herewith attached, in regard to the lowest acceptable bids presented at the bid letting on the school improvement construction under Texas Docket 1300 of the Public Works Administration, held at 10 A.M., December 5, 1935, at the Austin High School. This recommendation was presented by Mr. Harris to the School Board at a called meeting of the Board held at 7:30 P. M., on December 5, 1935, at the School Board offices, the entire membership of the Board being present, as follows:

E. A. Murchison, President; R. G. Mueller, Vice-President; Mrs. Eleanor H. Wells, Secretary; Mrs. A. P. Robinson; L. H. Blenderman; J. Harris Gardner; Carl T. Widen.

Mr. L. H. Blenderman, chairman of the Building and Grounds Committee, presented the following resolution:

"Be it resolved that the recommendation of A. W. Harris, of Giesecke & Harris, architects, in regard to the lowest acceptable bids presented at the bid letting on the school improvement construction under Texas Docket 1300 of the Public Works Administration, held at 10 A. M., December 5, 1935, at the Austin High School, be approved, with the exception of that on the Govalle School, No. 1300-12 General for \$13,394.00, on which the Board hereby rejects all bids offered."

This resolution on motion of Mr. Blendermann, seconded by J. Harris Gardner, was unanimously adopted.

Your attention is called to the fact that while the total of all low bids, \$295,599.46, exceeds the estimated cost by 3½%, or \$12,366.96, with the omission of the bid on Govalle, amounting to \$13,394.00, the total of all bids will be less than the estimated cost by \$1027.04.

Respectfully submitted,

(Sgd) E. A. Murchison,  
President, Board of Trustees,  
Austin Independent School District.

Attest:

(Sgd) Eleanor H. Wells  
Secretary, Board of Trustees,  
Austin Independent School District.

Subscribed and sworn to before me, at  
Austin, Texas, this 6th day of December,  
A. D. 1935.

(SEAL)

(Sgd) Hallie McKellar  
Notary Public in and for the  
County of Travis, State of  
Texas.

My commission expires June 1, 1937. "

The following report and resolution were read:

"Austin, Texas  
November 26, 1935

Mr. Gulton Morgan  
City Manager  
Austin, Texas

Dear Sir:

We, the undersigned, have considered the application of Henry Viscardi for permission to construct, maintain and operate a drive-in gasoline filling station and to construct curbs, ramps and commercial driveways in conjunction therewith, which filling station is to be located on the west side of West Lynn Street and the south side of West 12th Street upon property known as a portion of Lot 15 of a subdivision of 252 acres out of the Geo. W. Spear League within the City of Austin, Travis County, Texas, and we hereby advise that the following conditions exist:

The property upon which this filling station is to be located is designated as "C" Commercial Use District as shown upon the zoning maps of the City of Austin.

A storm sewer inlet exists on the south curb line of West 12th Street near the west line of West Lynn Street and a storm sewer inlet exists on the west curb line of West Lynn Street at or near the north line of the first alley south of West 12th Street.

We recommend that Henry Viscardi be granted permission to construct, maintain and operate said drive-in gasoline filling station and to construct curbs, ramps and commercial driveways in conjunction therewith, subject to the following conditions:

(1) That all buildings and equipment shall be placed inside of the property line, correct lines to be obtained before construction starts or equipment is installed. Lines and grades to be obtained from the City Engineering Department for entrances and driveways, building lines to be approved by the City Building Inspector. That the applicant shall confer with the City Engineering Department as to the future grades of the sidewalks and gutters on the adjacent streets before he starts any construction relative to the filling station.

(2) That all construction of the filling station improvements shall be in accord with the building ordinance, the Zoning Ordinance, the Filling Station Ordinance, and in accord with the ordinance prohibiting the disposal of commercial water or oils upon the City streets.

(3) The grades of the station shall be such that no waste oils or water or any floor washings shall ever pass over the City sidewalk area and that all of said oils and water shall be concentrated into a combined grease and sand trap which shall be constructed in accordance with our standard plan 2-H-146, and shall be conducted by a pipe connection from said sand trap to the nearest storm sewer at the expense of the applicant. Before commencement of any construction, the applicant shall apply to the City Engineer for an estimate of the cost of that portion of the storm sewer or drain from the grease trap in case any of said drain or storm sewer is to be constructed within any street or alley and shall deposit in escrow with the City Finance Director a sum equal to said estimate.

(4) That all filling station improvements, pumps, driveways, ramps, gutters, sidewalks and curbs shall be constructed of concrete at the expense of the applicant as set forth upon the plan hereto attached, which plan bears the City Engineer's file number 2-G-67.

(5) Expansion joints shall be constructed as shown upon the plan hereto attached marked 2-G-67 and shall be of the pre-moulded type.

(6) That before use of said station the owner shall apply to the Building Inspector for final inspection when he considers that he has complied with all the requirements of the City.

Respectfully submitted,

(Sgd) J. E. Motheral  
City Engineer

Lewis M. Hamby  
Building Inspector "

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT the City Council of the City of Austin hereby approves as a filling station site the property situated on the west side of West Lynn Street and the south side of West 12th Street, which property is owned by Henry Viscardi and is known as a portion of Lot 15 of a subdivision of 252 acres out of the Geo. W. Spear League within the City of Austin, Travis County, Texas, and hereby authorizes the said Henry Viscardi to construct, maintain and operate a drive-in gasoline filling station and to construct curbs, ramps and commercial driveways in conjunction therewith, subject to the same's being constructed in compliance with all the ordinances relating thereto, and further subject to the foregoing attached recommendations and plans; and the Building Inspector is hereby authorized to issue an occupancy permit for the operation of this filling station after full compliance with all the provisions of this resolution, and said permission shall be held to be granted and accepted subject to all necessary, reasonable and proper, present and future regulations and ordinances of the City of Austin, Texas, in the enforcement of proper police, traffic and fire regulations; and the right of revocation is retained if, after hearing, it is found by the City Council that the said Henry Viscardi has failed and refused, and will continue to fail and refuse to perform any such conditions, regulations and ordinances.

No one appearing to protest the above matter, Councilman Wolf moved that the above resolution be adopted. The motion was seconded by Councilman Gillis and carried by the following vote: Ayes, Councilmen Alford, Bartholomew, Gillis, Mayor Miller, and Councilman Wolf, 5; nays, none.
